Application Questions

Please answer the following questions in paragraph form. Use the back of the sheet if needed.

Why do you want to intern with the BECY Institute?

Please list and describe your past work experiences.

Please describe an experience where you worked as part of a team.

Please describe an experience that demonstrates your leadership style and capabilities.

Are you able to provide your own transportation? Would you be willing to drive other students to the worksite?

A workday uniform consists of sturdy work boots (no tennis shoes), long pants, a breathable work shirt (no tank tops), sunglasses, and a sunhat. Will you be able to procure your own uniform for the summer?

BECY 2020 Intern Application

What are you passionate about? A graduation requirement of the BECY Institute is the *Community Restoration Project*. Use this space to brainstorm ideas for a project you would conduct during the program independently that would incorporate one or more of the following program categories: watershed restoration, ecosystem restoration, and food system restoration. (Creative thinking is appreciated here – we will help you to develop your project during the summer institute)

Leader applicants only – **Why are you interested in being a leader? Please describe your qualifications.**
